

ALL SAINTS CHURCH

Associate Organist-Choirmaster

All Saints, a progressive and dynamic 4,000-member Episcopal church located in Pasadena, CA, is seeking to fill the part-time position of Associate Organist-Choirmaster (average 25 hours per week). The mission of the music ministry is to lead the All Saints community in liturgies that glorify God—moving the heart and challenging the mind—all with great variety, color and reverence. To support this, two adult choirs and five children's/youth choirs (totaling more than 230 singers) prepare and offer the finest music in a variety of styles and expressions, ranging from gospel, jazz and world music to traditional Anglican repertoire and full-scale orchestral/choral works. The choirs have performed for local, regional and national gatherings of AAM, ACDA and AGO, and were the only church-based choirs invited to perform Mahler's *Symphony 8* with the Los Angeles Philharmonic in 2012 under the baton of Gustavo Dudamel.

Responsibilities include:

- ◆ Accompany the adult choirs for all rehearsals (Wednesday and Thursday evenings, plus retreats, dress rehearsals, etc.); conduct part rehearsals; direct and play in Director of Music's absence.
- ◆ In conjunction with the Director of Music, prepare and play voluntaries, hymns, service music, choral accompaniments, etc., for the principal Sunday liturgies (9 and 11:15 a.m.), evensongs and festival services.
- ◆ Assist the Director of Music with liturgical planning, music arranging/copying, collaboration with other departments, pastoral care of the choirs, and general Music Department administration.
- ◆ Work as team member with the Associate for Liturgy and the Director of Music to develop and lead additional new liturgies (current and future).
- ◆ Oversee the maintenance of the Schlicker organ (1962; 4 manuals/84 ranks; 1992 Turner console); Steinway, Baldwin and two Yamaha grand pianos; three Yamaha console pianos; and Hubbard harpsichord.
- ◆ Participate in Music staff and full staff meetings.
- ◆ Perform with the adult choirs at concerts, tours, etc.
- ◆ Accompany the children's/youth choirs for liturgies or special programs, as needed.

The Associate Organist-Choirmaster will report directly to the Director of Music. She or he must have: a master's degree in music, preferably in organ performance, or the equivalent; excellent musicianship and technical ability at the keyboard, with a thorough knowledge of organ literature of all periods; extensive accompaniment experience with chorus and orchestra; understanding of and facility in leading a variety of hymn styles; and improvisational skills. Conducting ability and experience, while not the primary focus of the position, is required. Candidates must have experience in leading multicultural liturgies or an openness of spirit to be trained to do so.

He or she must have excellent relational skills, working as a team with staff and volunteers, and as a partner with the Director of Music in building strong choir communities.

Being committed to an ongoing process of multiculturalism, we encourage applications from women, persons of color, and gay, lesbian, bisexual and transgender persons. We are an equal opportunity employer. Full benefits, including health and dental insurance and pension, are provided. Compensation will be commensurate with AAM guidelines.
