All Saints Church Photography and Filming Policy

Informal "vacation style" picture taking and home videotaping are permitted on the grounds only. No flash photography or tripods, monopods, or selfie sticks are permitted in the buildings. Additional photographic equipment is prohibited (lights, reflectors, props, costumes, models), except under commercial contract. If a professional photographer is involved, see the next section.

**Wedding and professional portrait photography** sessions may be scheduled by appointment. Location fees and certain restrictions apply.

**Commercial filming and photography** are permitted by appointment only. Location fees, permits, and insurance are required, and certain restrictions may apply.

**Student filming projects** are permitted in some instances; however, commercial filming fees, permits, insurance requirements, and certain restrictions apply. No discounts are available at this time.
