Foster Care Project Seeks Thanksgiving Donations

Once again, Foster Care Project will collect non-perishable food to provide Thanksgiving dinners to foster care families in the Pasadena area. Non-perishable hams, such as Dak hams (not the refrigerated kind), canned chicken, canned fruits and vegetables, instant mashed potatoes, stuffing and cornbread mixes, hearty soups, juices, and baby food are most wel-

come. You may also provide a \$10 grocery store gift card and let one of our volunteers do the shopping for you. Please check expiration dates before donating and remember that only non-perishables can be accepted. Food and gift cards may be dropped off at the FCP lawn table in the Connection Center on Sunday, Oct. 27. (The early dates give us enough time to organize and deliver to families.) Please note: Items may not be dropped off in the church office. If you cannot drop off items at the lawn table, contact inbox@fostercareproject.org for an alternative site. Thank you for helping!

Want to Mark a Special Day?

For your birthday, anniversary, or in memory of a loved one, consider bringing the bread and wine up the aisle for communion at the 9:00 or 11:15 a.m. Sunday service. After offering these "oblations" to the priest at the altar, you stand in the circle with the other ministers for the Eucharistic prayer, receive communion, and then return to your seat. You may do this with a partner or be paired with someone else. To sign up or for more information, please contact Beverly Franco at 626.280.9048 or bgfranco@usc.edu.

Requiem Eucharist at 9 & 11:15 a.m.

Coventry Choir and Chamber Orchestra, directed by **Weicheng Zhao** will offer *Requiem for the Living* by Dan Forrest.

The five movements of Dan Forrest's *Requiem for the Living*, (2013), form a narrative just as much for the living, and their own struggle with pain and sorrow, as for the dead. The *Sanctus* offers three different glimpses of the "heavens and earth, full of Thy glory," all of which develop the same musical motif: an ethereal opening section inspired by images of space from the Hubble Space Telescope, a stirring middle section inspired by images of our own planet as viewed from the International Space Station, and a closing section which brings the listener down to Earth, where cities teem with the energy of humanity. The *Lux Aeterna* which then closes the work portrays light, peace, and rest — for both the deceased and the living.
