

# EASTER FLOWERS

During the past year, opportunities for us to celebrate the lives of those who have died have been limited. We need to remember those we have lost, but we might now know how.

We invite you to make a gift in memory of a loved one that will help us beautify the All Saints sanctuary on Easter. Although we will not all gather there, we will celebrate this festive day from the Chancel. Please consider a contribution to help provide flowers for Easter Sunday.

Here is how you can donate:
