RE: Thank you for your service

Dear Representative Napolitano:

As your term of office comes to an end, we want to thank you for your service to the state and our community. We deeply appreciate your legislative work to improve our lives, particularly in the following areas:

Infrastructure: Pertaining to water resources and the environment that promote conservation, water recycling, desalination and groundwater management. And transportation advancing projects and policies that relieve congestion and improve transit.

Health and Wellness: Securing mental health parity in the Affordable Care Act, promoting mental health legislation, and working to increase funding and access to mental health services.

Youth Advancement: Support for Youth Challenge: a program run by the National Guard cadre using military discipline and education to help at-risk youth complete high school to emerge better armed with knowledge and training for success.

Again, thank you for all your efforts in your work as a member of the United States House of Representatives. It is much appreciated. We wish you success and fulfillment in your future endeavors.

Sincerely,
